

DRAGON SHIELD

CONSULTING, LLC

We are a veteran owned organization dedicated to providing intervention, education, recovery coaching, consulting, and referral services to individuals, families, and businesses who are dealing with substance misuse / addiction.

We are here to assist you, your loved one, or your business navigate the issues surrounding the disease of addiction, get the addicted individual into treatment, to facilitate the healing process, to educate, and to promote a healthy and strong community for the individual, family, and support network in recovery.

We provide intervention services, treatment referrals, recovery coaching, sober escorting, education and consulting services for individuals, families, or businesses on the subjects of substance misuse / addiction, health & safety, and emergency medical services.

There is **HOPE!**

Our **MISSION** is to provide professional, accurate, and high caliber intervention, education, consulting, and referral services to individuals and organizations surrounding the topics of addiction, health & safety, and emergency medical services.

We will accomplish our mission by ensuring our **VALUES** of **accuracy, ethical practice, integrity, and respect** are the base foundation for all our activities and services.

There is **HELP!**

FREQUENTLY ASKED:

An **INTERVENTION** is a deliberate process that is carried out with the intent of changing a person's actions or behaviors. In the context of the addicted individual, an intervention is a process to inform and encourage a person into a treatment program.

ADDICTION is a physiologic or psychologic dependence on some agent. It is a disease process that significantly affects the brain. Substance Misuse / Addiction impacts the entire family structure and has enormous effects on the person, their work, the immediate and extended family and may result in death.

You are **NOT ALONE!**

Have YOU, A LOVED ONE, or an EMPLOYEE in the past year:

- ♦ Used alcohol or other drugs more than you meant to or spent more time using than you intended to?
- ♦ Neglected some of your usual responsibilities because of alcohol or other drugs?
- ♦ Wanted or needed to cut down on your drinking or other drug use in the last year?
- ♦ Objected to your drinking or other drug use?
- ♦ Found yourself preoccupied with wanting to use alcohol or other drugs or found yourself thinking a lot about drinking or other drug use?
- ♦ Used alcohol or other drugs to relieve emotional discomfort like sadness, anger, boredom?

If you answered “**YES**” to **two (2)** of the above questions, there is a **strong LIKELIHOOD of a misuse problem.**

If you answered “**YES**” to **four (4)** or more of the above questions, there is a **strong INDICATION of an alcohol or drug dependence problem!!**
